GREATER LAFAYETTE PUBLIC TRANSPORTATION CORPORATION
BOARD MEETING NO. 703

DATE: July 23, 2025
TIME: 5:00PM
PLACE: 1250 Canal Rd. Lafayette, IN. 47904 Conference Room
MEETING CHAIR: Mr. Mike Gibson

AGENDA

Item

1. Communications and Announcements

2. Public Comment
   2.1. Comments on the Agenda – 5 minutes

3. Review and Approval of Agenda Items and Minutes
   3.1. Review and Approval of Agenda of Meeting No.703 held on July 23, 2025 (pg.1)
   3.2. Review and Approval of Minutes of Meeting No.702 held on June 25, 2025 (pg.2)

4. Old Business
   4.1 Authorize the CEO to finalize and execute a contract with Purdue University for the provision of off campus student passes.

5. New Business
   5.1. Update on the 2025 Low and No Emission Grant Submission (Exhibit 1 pg.6)
   5.2. Approval of Resolution #2025-02 Authorizing Free Fares for the Initial Launch Period of the Reimagine CityBus Service Redesign (Exhibit 2 pg.7)
   5.3. Approval for CEO Bryan Smith to execute Agreement with IVY Tech and YMCA (Exhibit 3 pg.9)
   5.4. Consideration of claims list numbering 40851 through 40908, in the amount of $566,898.01 (pg.13)
   5.5. Consideration of payroll for June 1, 2025, through June 30, 2025, in the amount of $873,516.84 (pg.15)

6. Board and Staff Reports
   6.1. Chief Executive Officer Report (pg.16)

7. Public Comments
   7.1. 3 minutes per speaker

8. Adjournment
   8.1. Next meeting is Wednesday, August 27, 2025, at 5:00pm in the GLPTC Board Room

GREATER LAFAYETTE PUBLIC TRANSPORTATION CORPORATION
BOARD MEETING NO. 702
MEETING MINUTES

DATE: June 25, 2025

Present:	Mike Gibson, Chair
Board	James Blanco, Secretary
	Julie Ginn
	Tino Atisso
	Ben Murray
	Angel Valentin
	Joel Wright

Present:	Bryan D. Smith: Chief Executive Officer
Staff	Bryan Walck: Chief Operating Officer
	Joanne Zhang: Chief Financial Officer
	Ron Peters: Operations Manager
	Shawn Coffman: Fleet Manager
	Dusty Sturgeon, Human Resources Administrator
	Lon Lucas: Customer Experience Manager
	Shelby Yeaman: Executive Assistant/Project Manager
	Brian Karle: Attorney

Guests: Dianna Divey, Spencer Pitt, David K, Geno C, Mary Borelli

Chair, Mr. Mike Gibson, called meeting No.702 to order at 5:00PM in the GLPTC Board Room, 1250 Canal Road.

COMMUNICATIONS & ANNOUNCEMENTS

PUBLIC COMMENT

REVIEW AND APPROVAL OF AGENDA ITEMS AND MINUTES

Mr. Angel Valentin made the motion to amend the agenda to add Approval for CEO to execute and sign the two (2) Muinzer property service agreements: Village West and Station 21 as 5.0. Mr. Ben Murray seconded the motion.

Mr. Angel Valentin made the motion to approve the agenda of Meeting No. 702 held on June 25, 2025. Mr. Ben Murray seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

Mr. Ben Murray made the motion to approve the minutes of Meeting No.701 held on May 28, 2025. Mr. Angel Valentin seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

OLD BUSINESS

NEW BUSINESS

Mr. Joel Wright made the motion to approve CEO Bryan Smith to execute and sign the two Muinzer apartment service agreements: Station 21 and Village West. Ms. Julie Ginn seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

Mr. Angel Valentin made the motion to approve the new Reimagine CityBus route structure. Mr. Tino Atisso seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

Mr. Bryan Smith wanted to make sure it was clear that what the board approves of is not the exact stops, times, rights and lefts. What the board is approving of is the broad scope and concept of the new route structure and service times.

Mr. Bryan Walck gave a brief presentation on what was given to the board in the packet and also discussed maps with time of day and operational periods. Mr. Walck introduced Jane, who is our tool on the website, to help individuals plan their trips and see how far it would take for certain routes to get to you, along with how long it could take to get to your certain destinations. It was also discussed that along with these new routes, there are going to be more transfer center spots. One spot will be on IVY Tech's campus, which is also in the works for a feasibility study and hopes to get grant money to build a new transit hub along with Childcare with housing. This will be a great addition to our routing system and will lead to more opportunities.

Mr. Angel Valentin made the motion to approve the CTE Scope of Work for 2024 Low/No work. Mr. Ben Murray seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

We want to continue our work with CTE and added that into the grant budget for 2024. This Scope is within budget and actually comes $70,000 below what was budgeted within the grant.

Mr. Angel Valentin made the motion to approve the TIP amendment with the addendum. Mr. Ben Murray seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

INDOT's 5339 funds had some extra money and asked CityBus if we were interested in being given these extra funds. This money will be put towards purchasing more vehicles and we do have the local share portion available for it.

There were no findings for our 2024 Financial Audit. It was also noted that there were little things that were cleaned up prior to the audit, along with fixing some more major items that were from years ago.

The Board considered approval of the claims list numbering 40761 through 40850, in the amount of$1,251,492.97. Mr. Blanco made the motion to approve the claims list. Mr. Ben Murray seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

The board considered approval of payroll for May 1, 2025, through May 31, 2025, in the amount of $1,418,350.46. Mr. James Blanco made the motion to approve of the payroll. Mr. Ben Murray seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays.

BOARD AND STAFF REPORTS (CEO REPORT)

Mr. Bryan Smith let the board know the budget draft will be brought to the next board meeting, and it will have lots of moving parts. He would like the board to see it in advance rather than the first time seeing it is the month it needs to be approved.

Mr. Bryan Smith mentioned CityBus is applying for the 2025 Low/No grant, requesting more hydrogen and CNG buses, along with the potential for a new roof and to add solar panels to the roof. This grant is due July 14th, and Mr. Smith will bring what is submitted to the board, so they are aware of what has been applied for.

Mr. Smith mentioned the next census will show that our population is going to be above the 200,000 marks, which will take away close to $2M of our funding. Mr. Smith traveled to San Diego to try and advocate for a Medium Transit Intensive Cities to hopefully not lose too much funding.

PUBLIC COMMENTS

Mr. Joel Wright inquired what the solar panels would give us? Mr. Smith mentioned they can generate about half of what is needed and can bring our hydrogen costs down to cost us about what we spend on diesel.

Mr. Spencer Pitt, a guest at the GLPTC Board Meeting, works at Wyandott Library. He mentioned that location is not within our taxing district, but inquired about the possibilities to extend south towards his work location to give the opportunity for that side of the community to get in town for more experiences.

Mr. James Blanco wanted to give a big shoutout to the CityBus team, along with RLS, who worked on the Reimagine CityBus. The hard work shows and is appreciative to the team to try and make an even better network for the community.

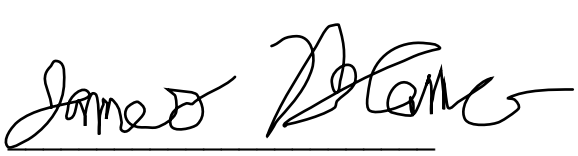

Mr. Valentin wanted to give a shoutout to our Customer Experience Manager, Lon, along with our Interns for their dedication to being present in the public and at events. Mr. Valentin also inquired about our partnership with IVY Tech and the fuel cell training. Mr. Smith let the board know that IVY Tech is being mentioned as a partner in Workforce Development for this 2025 Low/No grant and these conversations will continue to happen and stay in the works to get programs going.

Mr. Wright inquired about accidents. January was a rough month for accidents and it has been actively investigated. There have been some commonalities and those are being actively addressed as well.

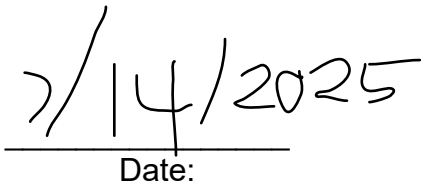

Mr. Mike Gibson also wanted to say a big thank you to the CityBus team for their hard work making big and important changes, even when working within the deficits we are facing.

ADJOURNMENT

With there being no further business to be transacted, Ms. Julie Ginn made the motion to adjourn at 5:33PM. Mr. Angel Valentin seconded the motion. The motion was carried by a vote of 7 ayes and 0 nays. The next regular Board Meeting is scheduled for Wednesday, July 23, 2025, at 5:00PM, in the GLPTC Board Room, 1250 Canal Road.

Mr. James Blanco

RE: 2025 Low/No Grant Application

The fiscal year 2025 competitive low/no emission grant application has been submitted on July 14.

Under this project, CityBus propose to deploy federal funds to modernize its fleet, perform critical facility refurbishments, and produce affordable hydrogen fuel. CityBus is requesting funds to replace 12 buses that have reached the end of their useful lives with 6 latest-generation CNG-powered buses and 6 hydrogen fuel cell buses. Additionally, CityBus is requesting funds for a critical project to replace the faltering roof of the agency's maintenance facility and to add solar panels to enable the agency to reduce its operating costs and boost its resiliency. Finally, CityBus is requesting support to deploy equipment that will utilize an existing, market-supplied commodity feedstock, methanol, to produce hydrogen fuel that is cost competitive with diesel. This will enable CityBus to reduce the operating costs of its hydrogen bus fleet by two-thirds and create a resilient supply of hydrogen fuel that is shielded from the price fluctuations of the developing hydrogen market.

The total federal grant requested is $23,808,100, which may be scaled down to a minimum of $17,151,100, with reduced number of buses and solar roof eliminated.

In this proposal, we will partner with CTE, New Flyer of America, IVY Tech, DLZ, IVYS Energy Solutions, and Total Hydrogen Solutions.

The result of the applications will be announced in Sep 2025.

GREATER LAFAYETTE PUBLIC TRANSPORTATION CORPORATION

RESOLUTION #25-02

RESOLUTION AUTHORIZING FREE FARES FOR THE INITIAL LAUNCH PERIOD OF THE REIMAGINE CITYBUS SERVICE REDESIGN

WHEREAS, CityBus is committed to providing safe, reliable, and accessible public transportation to the residents and visitors of Greater Lafayette; and

WHEREAS, CityBus has undertaken a comprehensive system redesign, known as *Reimagine CityBus*, to improve service frequency, connectivity, and convenience through new transfer points and route structures; and

WHEREAS the successful launch of the redesigned service is critical to ensuring a smooth transition for current riders and encouraging new ridership; and

WHEREAS, offering free fares during the initial launch period will reduce barriers to access, promote public awareness, and allow riders to explore the new system without financial burden;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of CityBus as follows:

1. Free Fare Period: CityBus shall implement a free-fare policy for all fixed-route services for a period of two (2) weeks from August 11, 2025, through August 23, 2025. The standard fare policy shall resume August 24, 2025.

2. Public Communication: CityBus staff is directed to incorporate this free-fare period into the broader marketing and public outreach campaign to ensure widespread awareness and participation.

3. Evaluation and Reporting: CityBus staff shall monitor ridership and community feedback during the free-fare period and provide a summary report to the Board.

The designation is effective immediately and shall continue until specifically revoked. Any and all resolutions which conflict with this resolution are hereby rescinded. Adopted

by the Board of Directors of Greater Lafayette Public Transportation Corporation on the 23rd Day of July 2025.

_____
Mr. Mike Gibson
Chairman of the Board of Directors
Greater Lafayette Public Transportation Corporation

ATTEST:

_____
Mr. James Blanco
Secretary of the Board of Directors
Greater Lafayette Public Transportation Corporation

Vote: _____ Ayes _____ Nays July 23, 2025

I hereby certify that the attached is a true and complete copy of a resolution adopted by the Board of Greater Lafayette Public Transportation Corporation of Lafayette, Indiana, at a regular meeting on July 23, 2025, and that public notice of said meeting was given pursuant to and in full compliance with the laws of the State of Indiana.

_____
Mr. James Blanco
Secretary of the Board of Directors
Greater Lafayette Public Transportation Corporation

Agreement for a Transit Hub with Daycare and Housing Project

This Agreement for a Transit Hub with Daycare and Housing Project (“Agreement”) is made and entered into on this ___ day of _____, 2025, by and between:

- **IVY Tech Community College – Lafayette Campus**, located at 3101 S. Creasy Ln., Lafayette, IN. 47905 ("IVY Tech"),
- **YMCA of Lafayette Indiana**, located at 3001 S Creasy Ln., Lafayette, IN. 47905 ("YMCA"), and
- **Greater Lafayette Public Transportation Corporation (CityBus)**, located at 1250 Canal Rd., Lafayette, IN. 47904 ("CityBus"),

collectively referred to as the “Parties.”

1. Purpose

This Agreement (“Agreement”) sets forth the terms and understanding between YMCA of Greater Lafayette (“YMCA”), Ivy Tech Community College – Lafayette Campus (“Ivy Tech”), and the Greater Lafayette Public Transportation Corporation (“CityBus”) (collectively, “the Parties”) regarding a joint initiative to explore, fund, and construct a **transportation hub, childcare, and workforce training facilities** in the designated area between IVY Tech and the YMCA as shown in Exhibit A.

2. Project Overview

The project shall be completed in three stages:

Stage 1: Feasibility Study
A comprehensive feasibility study to assess site viability, community impact, zoning requirements, design concepts, cost projections, sustainability, potential risks, and legalities.

Stage 2: Funding Sourcing
Securing federal, state, and local funds, grants, private investment, and philanthropic contributions necessary to finance construction.

Stage 3: Construction and Implementation
Execution of the design, permitting, and physical development of the transit hub, daycare, and housing facilities.

3. Cost Sharing

Each stage will have estimated costs, with a total not-to-exceed amount agreed upon by the Parties.

Stage 1: Feasibility Study: CityBus will program $80,000 of federal transit grant funds with a 20% matching requirement. YMCA and Ivy Tech will split matching requirement of $20,000 equally, $10,000 each

Stage 2 and Stage 3 will be determined by addendum if all the Parties mutually agree in writing to proceed with the joint initiative after the feasibility study is complete.

If the actual costs exceed the estimate, the Parties agree to meet and mutually determine an equitable solution, which may include equal cost sharing or seeking additional external funding.

4. Project Management

- A **Steering Committee** shall be formed with at least one representative from each Party.
- The Steering Committee will manage scope, budget, timeline, and strategic direction.
- Major decisions (e.g., budget changes, consultant selection) require unanimous approval.

5. Term and Termination

This Agreement will remain in effect until completion of the feasibility study, unless earlier terminated as provided herein. If all the Parties mutually agree to proceed with the joint initiative after the feasibility study is complete, this Agreement may be renewed, revised, or amended by mutual written agreement of the Parties. The Parties can mutually agree to terminate this Agreement at any time for any reason. Any Party can withdraw from this Agreement at any time for any reason. If one Party withdraws prior to completion, it remains responsible for its share of the costs incurred up to the date of withdrawal.

6. General Provisions

- **Amendments**: Any amendments to this Agreement must be made in writing and signed by all Parties.
- **Governing Law**: This Agreement shall be governed by the laws of the State of Indiana.

- **Non-binding Intent**: This Agreement represents the good-faith intent of the Parties to collaborate and does not constitute a legally binding joint venture or partnership and shall not constitute or create any legally binding or enforceable obligation on any party, except for the cost-sharing provisions in Section 3 which shall be legally binding.

CEO REPORT TO GLPTC BOARD OF DIRECTORS

MEETING DATE: JULY 23, 2025

CEO

At the halfway point in the year, I would like to take a moment to acknowledge the absolutely amazing group of people I have the honor to work with here at CityBus. In the first six months of the year, we have accomplished so much. From a clean fiscal audit, multiple grant applications, preparing for a triennial review to redesigning the route system, fare structure, and onboarding 35 new hires since the start of the year. Our operators and technicians have stepped up as well, learning the new route structure, bringing old buses back to life, and clearing out the boneyard for construction of the new hydrogen fueling station. I feel incredibly fortunate to work with all of them.

The second half of the year holds just as busy of a schedule, as we launch the new system redesign, a new electronic fare collection system, and prepare for the delivery of our first hydrogen fuel cell buses. All of this while we are also working closely with our partners at the Cities and County on funding our budget for 2026.

We have the framework of an agreement with Purdue for off-campus access to our fixed routes this fall, and I will have more information at the Board meeting.

COO

The last month has been focused on critical preparation as we finalize plans for the launch of the *Reimagine CityBus* route network, following the Board's approval of the plan. The new network is scheduled to go live on Monday, August 11th. Staff across departments have been focused on ensuring a smooth and successful rollout for both riders and employees.

We are developing a launch plan that includes updates to the website, preparation of a printed rider guide, and the deployment of trained ambassadors at key transfer points, particularly at the CityBus Center and Ivy Tech. These ambassadors will support riders during the transition and help foster early confidence in the new network.

As part of this effort, we have also been communicating directly with demand response riders regarding how the network changes will affect ACCESS paratransit trip availability, which mirrors the new fixed-route network. In addition, we are notifying riders about the upcoming discontinuation of FLEX service, ending on Friday, August 8th.

In Operations, we have seen several administrative staffing changes. One supervisor accepted a lateral move into a new role, a dispatcher was promoted to supervisor, and two dispatcher positions are currently open. Recruitment efforts are underway to maintain effective service oversight and control.

Coordinating with the CEO and CFO to continue the budget development process for the upcoming fiscal year. Our focus remains on allocating limited resources strategically to preserve service and meet long-term goals.

We are also continuing discussions with Purdue University to explore ways to support affiliated riders' access to our fixed-route network, especially for those who rely on transit for daily travel beyond the core campus area.

Finally, coordinated across divisions to successfully submit this year's Low-No grant application

in partnership with the Center for Transportation and the Environment (CTE). This submission supports our hydrogen fuel cell bus, compressed natural gas bus, and related infrastructure initiative.

FINANCE

- Worked with CTE and the project team to submit the third competitive grant proposal for the Low-No project.
- Prepared documentation for the second and third requests from Triennial auditors. Ready for the onsite audit on 7/17-18
- Working with Avail to set up new accounting routing/process to meet GASB 96 requirements.
- Have been working on the 2026 financial budget, projecting revenue and costs based on changing Purdue contracts and grants status. Will update the budget based on June closing numbers.
- Submitted prebudget form to State Gateway System. Setup budget meeting with state rep in Aug
- Evaluated NeoRide selected ERP vendor Oracle NetSuite. Will request detailed quotes for considerations.
- Working on Q2 2025 grants FFR and MPR reports, anticipates submitting all reports by the end of July.

HUMAN RESOURCES

- Filled Street Supervisor and Control Center Supervisor positions.
- Began search to fill the Dispatcher C and D shifts.
- Began search for applicants to start a new Bus Operator training class in August.
- Assisted staff with insurance claims issues.
- Created an Emergency Action Guide for employees. Preparing to have flipcharts printed that can be placed at desks and in hallways.
- Wrote a Hazard Communication Plan to comply with OSHA standards under 29 CFR 1910.1200.
    - Inventoried chemicals stored on property to be entered into Safety Data Sheet (SDS) Management System.
    - Working on obtaining and entering appropriate SDS into database.
    - Obtained Globally Harmonized System (GHS) labels to be placed on chemical containers.
- Selected employees to serve on the Safety Committee.
- Conducted a Safety audit of the facilities and identified some risks to be addressed. A plan to address these risks has been discussed.
- Met with Crisis Communication Plan committee to identify steps in creating a plan.
- Completed 2nd quarter drug & alcohol compliance random tests.
- Provided drug & alcohol compliance program reasonable suspicion training for some staff in supervisor roles.

MAINTENANCE

- 0914 repaint and radio, camera, farebox installation
- 6007 a/c repair
- 1707 radiator/ charge air cooler
- 7005 rear brakes

OPERATIONS

- Dispatch is running without 2 dispatcher positions. Working with HR to get them filled.
- Operator shortage continues to be an issue. Working with HR to establish a new training class starting August 25th.
- Dispatch is designing the new routes in Remix (our planning software) to create the route designs along with the paddles (time points) and rights & lefts (driver directions).
- 2nd week of July the dispatch office was redesigned to include bringing in the Access department. We will be bringing the Access department down to dispatch just after the kick-off of reimagined CityBus.

CUSTOMER EXPERIECE

- The bus stop signage and poles project is moving forward. 40% of the sign installation is complete. Flagging for 4A, 6A, and 7 have been completed. We are being held up right now by 811, the utility location service.
- Masabi training for CSR agents is underway and should be completed by the end of the month
- Several community outreach events have taken place, and several more are scheduled for this summer.
- Back to school events begin shortly and CityBus will be giving away notebooks to hundreds of school kids
- Continuing the implementation of both HopThru and Masabi contracts. These contracts will bring improved automatic passenger count and fare collection technologies to CityBus.
- Continuing to work with the Purdue Center for Regional Development through the Wabash Heartland College & Community Collaboration Initiative to bring vanpooling services to Tippecanoe Country and surrounding counties.
- Enhancing customer experience for our riders and drivers with the return of our travel training program, increased amount of social media posts and testimonials.

INFORMATION TECHNOLOGY

- NTD approved Automated Passenger Counter (APC) certification application. Starting August 1, 2025, we will begin using APC passenger counts as our official ridership information and stop using the farebox data.
- Masabi JRVs (fare validators) installation is complete. The validators have been tested and are ready for use in August.
- Updates are being made to all transit technology and applications in preparation for the service changes that will go into effect on August 11th.
- The RFP for a Managed Service Provider (MSP) was posted June 26th. We are in the process of responding to questions. Proposals are due July 25th. Proposal evaluation and interviews will take place in August.

June 2025
